Prayer / Fast Schedule for the Month of Ramadhan 1433 A.H. for Freehold, NJ 07728

Latitude = 40 16' N: Longitude = 74 16' W

Imsak/Fast Time is based on when sun is 18 degree below the horizon.

Fajr Salaat Time is based on when sun is 15 degree below the horizon.

Astronomical Twilight is considered when sun is 18 degree below the horizon.

Imsak/Fast Time and Fajr Salaat Time are given separately because of the difficulty of knowing the Al-Subh Al-Sadiq time.

Fajr Salaat time should be used for Fajr prayers.

As a precautionary measure, it is strongly recommended to stop eating at least couple of minutes before IMSAK/FAST times, pray Zohr prayers at least five minutes after NOON times and break fast at least couple of minutes after MAGHRIB/IFTAR times. (The obligatory precaution is that as long as the redness in the eastern sky appearing after sunset has not passed overhead, Iftar / Maghrib Salaat should not be performed)
